

COLONOSCOPY and HISTOPATHOLOGY REPORT

This Colonoscopy and Histopathology report provides valuable information to the National Cancer Screening Register (Register) about your patient, where they are a National Bowel Cancer Screening Program (Program) participant. Your assistance is sought to ensure Program information is complete.

Instructions for colonoscopists

- Step 1. Complete Sections 1 to 9a (please use codes provided when completing Section 9a). Please use a black pen and write in BLOCK LETTERS in the boxes provided.
- Step 2. Provide a copy of pages 1–3 to the Register (see *How to lodge the report* below). Keep a copy of each page for your records.
- Step 3. If you are requesting histopathology services, send page 4 to the histopathologist with the specimen/s.

Instructions for histopathologists

See the reverse of page 4 for instructions.

Providing completed reports

If a report is not complete, it cannot be entered into the Register. Should your report be incomplete, Register staff will contact you to obtain missing information.

Note: Only complete the form fields as specified. Please do not supply any internal clinical reports to the Register.

How to lodge the report

The original copy of the report can be lodged with the Register:

via free fax to 1800 115 062; or

post to National Bowel Cancer Screening Program, Reply Paid 90965, SUNSHINE VIC 3020

More information

More information about this report can be obtained by contacting the National Bowel Cancer Screening Program Contact Centre on 1800 118 868 (free call).
